## **WEST END FESTIVAL SUMMER GALA**

**SATURDAY 12th June 2010**

We plan to advertise this Gala in both our local free press & the Herald with a series of rolling advertisements, again this year. It is also in the West End Festival Magazine which goes out to several thousand homes. We have been having our Gala in the same place, by the Ha'penny bridge house for some 15 years, so it is well known! To find out where this is, google it!

The Gala is to be a day of fun as always, with a good mixture of stalls. We plan to supply - individual stall covers; continuous, wonderful, live music; canoeing for the equally young in mind (there are several Canoes, safety equipment and a fully qualified ex-Royal Marine instructor!); a licensed bar; continuous food and many different stalls. There may be a Puppet Show too.

***Please bring your own tables & chairs for your Stalls as usual!***

Please reply soon on the next page, enclosing your cheque.

With kindest regards,

*PROTECTED BY MOZILLA THUNDERBIRD 2010*

*ANGLING: I. Reddick; BIOLOGIST: Louis Kitchen; CONVENER: A.M. Eden-Bushell;*

*CONVENER DEPUTE: Charles Thompson;;*

From:-

We would like to take a covered place/have our own tent/caravan/or would prefer space in the open and enclose our cheque for £35 (for Charities) or £45 (for Businesses) (should you require a double space under cover or outside, please double your cheque!). . Your booking will be acknowledged.

We would not like to book a space this time but are happy to remain on your list for another time.

We would prefer to be taken off your mailing list, without any recrimination!

Please include a *brief* description of what you will use your space for, so that we can vary the things on show for the public - e.g. no more than two balloon sellers or face painters.

**Please reply soon, as first come first to be reserved, so date your letters & cheques**

***Should you know of anyone who might like to have a stall, please let me know.***
